

Please complete the below form and fax it to +49 (341) 973 7339.
Alternatively, you can also send this information as an email to submit@aspeers.com.

Biographical Information

Together with your submission, please provide some biographical information to be published with your contribution containing the following:

1. A short list of basic info:

- name:

- email address:

- degrees:

- university:

- year of study:

- majors/minors:

2. A paragraph in which, besides the basic info, you state your scholarly interests, your future plans (inside and outside your academic field), your hobbies, and whatever else you feel the reader should know about you. This paragraph should be written in third person and should not exceed 150 words.

3. Lastly, please let us know how you heard about *aspeers* and this call for papers. Thank you!
